VIDEO TESTIMONIAL

JOHN BROGDEN AM

Chairman of Lifeline Australia

"I had the pleasure of witnessing Daryl's presentation in 2015. It was easily one of the best I've seen – moving, informative and very entertaining. The first thing that struck me was the courage required to re-live that horrific event in order to try and help others who had suffered similarly. Then there was the mental strength needed to go from a depressed state to standing up in front of an audience and not only telling a demanding story, but doing it in such an entertaining and informative way. Daryl deserves our thanks and our congratulations on what he's doing for the community.

If you have an opportunity to see his presentation live don't miss it."

IAN CHAPPELL

Australian Cricket Captain 1971-1975

TESTIMONIALS

“The response to your resilience presentation has been overwhelming, so much so we have had you return three times over the past nine months. Feedback from each of the sessions has been exceptional, including: ‘I felt humbled and privileged to have had the opportunity to hear Daryl speak. It was a powerful and moving three hour presentation from a truly courageous and resilient man, interspersed with good humour and audience interaction. I hope Daryl never tires of imparting his experiences and learnings. I came away with a great perspective on how sweating the small stuff is truly such a waste of time.’.”

DR GENE MOYLE

TESTIMONIALS

“In 2011 I founded a small charity to create more national awareness for post-traumatic stress. Shortly after I met Daryl. I first heard him speak at a corporate gathering where he was teaching the value of resilience and how it applies to business. Ever since, I’ve called on Daryl to help spread the word on what’s possible in the face of traumatic adversity whether for an international PTS conference, 350 police cadets or the AFP hierarchy. In all cases he’s left an indelible impression on just what is achievable in any field of endeavour.”

TONY DELL

Founder of 'Stand Tall for PTS' and the only Australian first class cricketer to serve in the Vietnam War

Your contribution in achieving this is sincerely appreciated.”
